## Trip Options for BuckWild

The majority of the BuckWild experience takes place in crews of 10-12 students. Each crew follows a predetermined schedule. BuckWild allows students the opportunity to participate in a wide variety of outdoor, adventure activities such as backpacking, rock climbing, and caving. However, not every crew does every activity. **Please rank order your trip preference (1-most interested, 3-least interested).** We will try to place you in your first or second choice.
